

MAIN TOPICS

for the admission to *Accounting and Organizations* Masters Program 2024

MSc Accounting and Organizations (in English) / Contabilitate și Organizații (în limba engleză)

THE MAIN RESEARCH TOPIC: “Research Project on a business & economics topic”

Each research project must be based on a *main research question*. Having a research proposal in mind and starting from the identified research question, the candidate will present a detailed overview of the research process and develop the actual research project. The research question will be identified and formulated by the candidate based on her/his personal interests and it may be based on the previously developed bachelor thesis.

The research project should include the following:

- Title of the Project
- Summary of the Project
- Background for the Research Question
- Review of Research Literature
- Outline of the Project
- Selective Research Bibliography
