

### **List of approved courses available to UBB-FSEGA students**

Students from UBB-FSEGA attending Fairfield University, Dolan School of Business will be required by federal regulations to enroll in a minimum of 12 credit hours during the exchange term. Students may take up to but no more than 15 credit hours during the exchange term. Courses will be from among those offered during the student's mobility term and a final list of classes will have to be agreed on at least 6 months prior to student departure.

UBB-FSEGA students may select 5 courses from the following list of content courses for which Fairfield will ensure registration. Given the variety of business majors (accounting, economics, finance, management, marketing) that incoming students may pursue, different courses will be major courses and electives.
