APPLICATION PROCEDURE

We are thrilled to have you interested in our programs! At our institution, we value diversity and strive to ensure that every participant's level and objectives are considered when confirming places in our programs.

To increase your chances of securing a spot, we highly recommend submitting your completed application form as early as possible, ideally six weeks before the program start date. Our Admissions Committee is dedicated to reviewing applications carefully and providing you with prompt feedback.

If you have any questions about which program may best suit your objectives or need additional information, please do not hesitate to contact us. We are here to help you find the right program and ensure that you have the best possible experience.

Lastly, please note that our open programs are taught in English, and participants should be able to exchange complex views, listen, and learn by using English as a means of communication.

We look forward to welcoming you to our programs and helping you achieve your goals!

To start the application procedure, please send us an email with your contact details and attach your CV. Our team will be in touch with you shortly to provide all the necessary assistance for the application process.
