

Finance Back-Office Intern

Raise your hand if that's you:

	<p>A student in Economics with good knowledge of English (Hungarian is an advantage)</p>
	<p>Eager to learn: There are so many opportunities to get new experiences and improve skill sets. We have a complex operation in fuel Retail, Wholesale, Petchem, Bitumen, Lubricants and LPG, all developing at a rapid pace.</p> <p>You will be part of a team that supports one of the most dynamic and solid companies in Romania. You will be learning the basics of accounting through transactional accounting tasks, document control, reconciliation of booking figures, archiving and communication with internal & external partners.</p>
	<p>Good collaborator and team member: Your role will definitely make your communication skills shine as you will need to collaborate with specific departments for vendor/customer and other master data maintenance. You will also be able to contribute through support during internal and external audits.</p>
	<p>Problem solver and critical thinker: The job will make you deal with diverse situations requiring analysis, problem solving, critical thinking skills and attention to detail. Your Excel knowledge will be of great help for calculating, entering, reversing and following up accruals, provisions, write-offs and impairments or for carrying out taxation related tasks (calculation, collection of data, reconciliation of accounts, entering transactions and payments).</p>

What's in it for you?

MOL Romania is one of the biggest and most dynamic companies in Romania. Going through this experience will definitively help You to improve both professionally and personally.
